MRS. M. K. MORE, WHO IS WELL KNOWN IN MEXICO CITY, CANNOT SAY TOO MUCH IN PRAISE OF DUFFY'S PURE MALT WHISKEY FOR WHAT IT HAS DONE FOR HER IN BUILDING HER UP AND RESTORING HER HEALTH.

Mrs. More writes: "I have been taking this wonderful medicine for some time and find it all that is claimed for it by yourselves and those whose testimonials I have read from time to time. I have never been strong, but I believe if I continue to use Duffy's Pure Malt Whiskey I will yet see the day when I will be healthy and strong. I have always been troubled more or less with stomach trouble and indigestion, but since taking your medicine I have been relieved entirely of these troubles. For the first time since I have grown up I have color in my cheeks, eat well and sleep well, and all my friends tell me I am looking younger. As all first-class physicians recommend this whiskey, I do not think any one should have the least hesitancy in taking it or giving it to children. I generally do not take much stock in patent medicines, but I am a strong believer in Duffy's Pure Malt Whiskey for all who are in a rundown, weakened and sickly condition, as I have been for years, and for those who desire to remain well and happy."—Mrs. M. K. More, Mexico City, Mexico.
